Lowest offer: 1 425 500.00 EUR / Highest offer: 1 708 400.00 EUR taken into consideration

II.2) **Description**

II.2.3) **Place of performance**

NUTS code: BA BOSNIA AND HERZEGOVINA

Main site or place of performance:

The project concerns priority investment schemes for water and sanitation including construction works within the territory of the Federation of Bosnia and Herzegovina.

II.2.4) **Description of the procurement:**

The overall objective of the project WATSAN FBiH, of which this contract will be a part, is to develop an EU-standard Integrated Sustainable Water and Wastewater Management scheme in FBiH. The project concerns priority investment schemes for water and sanitation within the territory of the Federation of Bosnia and Herzegovina, the purpose of which is to improve public health and the environment. The existing project schemes in the Municipalities financed by the EIB loan, EU grants and municipal budget, among other segments, shall be implemented through the support of centralized works supervision. The timely completion of all necessary activities is necessary for the preparation of tender documents for the works contracts and for the design services in the desired quality. The contract will provide for timely completion of the required Works and infrastructure in the desired quality achieved by the supervision of the works contracts for water and wastewater investments including earth and pipe works, concrete and steel works, mechanical works, electrical works, automation and SCADA works, building works, roads and landscaping works.
